

# Gregory Scontras

School of Social Sciences  
University of California, Irvine  
3151 Social Sciences Plaza  
Irvine, CA 92697  
g.scontras@uci.edu  
langsci.uci.edu/scontras/

## PROFESSIONAL POSITIONS

### **University of California, Irvine** (2020–*present*)

Associate professor, Language Science

Affiliated faculty, Logic and Philosophy of Science

Affiliated faculty, Center for Theoretical Behavioral Sciences (founded 2022)

Affiliated faculty, Institute for Mathematical Behavioral Sciences (closed 2022)

### **University of California, Irvine** (2016–2020)

Assistant professor, Language Science

Affiliated faculty, Logic and Philosophy of Science

Affiliated faculty, Institute for Mathematical Behavioral Sciences

### **Harvard University** (Fall 2017)

Visiting assistant professor, Linguistics

### **Stanford University** (2014–2016)

Post-doctoral scholar, Psychology (Computation & Cognition Lab)

## EDUCATION AND TRAINING

### **European Summer School in Logic, Language and Information** (2009, 2015)

Coursework in theoretical linguistics, statistics and philosophical logic

### **Harvard University** (2008–2014)

Ph.D. in linguistics, November 2014

Thesis: *The Semantics of Measurement*

Advisor: Gennaro Chierchia

### **Massachusetts Institute of Technology** (2008–2010)

Coursework in theoretical linguistics and cognitive science

### **Boston University** (2004–2008)

B.A. *summa cum laude* in linguistics (with distinction) and in philosophy, May 2008

Thesis: *The Semantics of Plural Superlatives*

Minor: Spanish language and literature

## FELLOWSHIPS, GRANTS, AND HONORS

**Mercator Fellowship**, Deutsche Forschungsgemeinschaft (German Research Foundation), University of Stuttgart (2025–*present*)

**Faculty Academy for Teaching Excellence** fellow, UC Irvine (2024 inductee)

**Building Intellectual Community Grant** for the 15th Heritage Language Research Institute (with Julio Torres), UC Irvine Humanities Center (2023–2024)

**Initiation of International Collaboration Grant** for modeling the role of loopholes in polite communication (with Nicole Gotzner), Deutsche Forschungsgemeinschaft (German Research Foundation) (2023–2024)

**William K. and Katherine W. Estes Fund Award** for a summer school on computational cognitive modeling for language at UC Irvine (with Richard Futrell, Lisa Pearl, and Sameer Singh), Association for Psychological Science and Psychonomic Society (2020–2022)

**Senior ZAS Fellowship in Semantics and Pragmatics**, Leibniz-Zentrum Allgemeine Sprachwissenschaft, Berlin (2021)

**Inclusive Excellence Spirit Award** for a linguistic diversity film+talk series (with Judith Kroll, Elizabeth Peña, and Julio Torres), UC Irvine (2019–2020)

**Mercator Fellowship**, Deutsche Forschungsgemeinschaft (German Research Foundation), University of Tübingen (2018–2019)

**ADVANCE Career Development Award**, UC Irvine (2017)

**Fellowship, SIAS Summer Institute** on the investigation of linguistic meaning, National Humanities Center and Wissenschaftskolleg zu Berlin (2015–2016)

**Mind/Brain/Behavior Initiative Graduate Student Award** for experimental research, Harvard University (2011)

**Sosland Family Graduate Fellowship**, Harvard University (2009–2010)

**Peter A. Bertocci Award** for philosophical excellence, Boston University (2008)

**Ken Hale Award** in Linguistics, Boston University (2008)

**Phi Beta Kappa** junior inductee (2007)

**Barbara Argote Junior Award** in Linguistics, Boston University (2007)

## PUBLICATIONS

**Refereed Journal Articles**

1. Scontras, Gregory, and Edward Gibson. 2011. A quantitative investigation of the imperative–and–declarative construction in English. *Language* 87, 817–829. doi:10.1353/lan.2011.0079.

Samonte, Suttera, and Gregory Scontras. 2019. Adjective ordering in Tagalog: A cross-linguistic comparison of subjectivity-based preferences. The 93rd Annual Meeting of the Linguistic Society of America. *\*Winner of the Committee on Ethnic Diversity in Linguistics travel award (to S. Samonte)*

Scontras, Gregory, Asya Achimova, Christian Stegemann, and Martin Butz. 2019. The added informativity of ambiguous utterances. Poster presented at Experimental Pragmatics (XPRAG).

Franke, Michael, Gregory Scontras, and Mihael Simonič. 2019. The evolutionary pressure for subjectivity-based adjective ordering preferences. Poster presented at the Workshop on Interaction and the Evolution of Linguistic Complexity.

Scontras, Gregory, Asya Achimova, Christian Stegemann, and Martin Butz. 2019. On the purpose of ambiguous utterances. Poster presented at the 41st Annual Meeting of the Cognitive Science Society.

Franke, Michael, Gregory Scontras, and Mihael Simonič. 2019. Subjectivity-based adjective ordering maximizes communicative success. The 41st Annual Meeting of the Cognitive Science Society.

Scontras, Gregory, Galia Bar-Sever, Zeinab Kachakeche, Cesar Manuel Rosales Jr., and Suttera Samonte. 2019. Incremental semantic restriction and subjectivity-based adjective ordering. *Sinn und Bedeutung (SuB)* 24.

Kachakeche, Zeinab, and Gregory Scontras. 2020. Adjective ordering in Arabic: Post-nominal structure and subjectivity-based preferences. The 94th Annual Meeting of the Linguistic Society of America.

Shi, Yuxin, and Gregory Scontras. 2020. Mandarin has subjectivity-based adjective ordering preferences in the presence of ‘de’. Poster presented at the 94th Annual Meeting of the Linguistic Society of America.

Futrell, Richard, William Dyer, and Gregory Scontras. 2020. What determines the order of adjectives in English? Comparing efficiency-based theories using dependency treebanks. The 58th annual meeting of the Association for Computational Linguistics.

Song, Yongjia, Abimael Hernandez Jimenez, and Gregory Scontras. 2020. A cross-linguistic investigation of QUD effects on scope-ambiguity resolution. Poster presented at the 26th Architectures and Mechanisms for Language Processing Conference (AMLaP).

Song, Yongjia, Abimael Hernandez Jimenez, and Gregory Scontras. 2021. Cross-linguistic scope ambiguity: An investigation of English, Spanish, and Mandarin. Poster presented at the 95th Annual Meeting of the Linguistic Society of America.

Futrell, Richard, William Dyer, and Gregory Scontras. 2021. Comparing efficiency-based theories of adjective order in dependency treebanks. Theoretical and Experimental Approaches to Modification.

Scontras, Gregory, Zeinab Kachakeche, Austin Nguyen, Cesar Rosales, Suttera Samonte, Einat Shetreet, Yuxin Shi, Elli Tourtouri, and Nitzan Trainin. 2021. Cross-linguistic evidence for subjectivity-based adjective ordering preferences. Theoretical and Experimental Approaches to Modification.

Attali, Noa, Gregory Scontras, and Lisa Pearl. 2021. Every quantifier isn’t the same: Informativity matters for ambiguity resolution in quantifier-negation sentences. Poster presented at the 4th Annual Meeting of the Society for Computation in Linguistics.

Varatharaj, Ashvini, Gregory Scontras, and Naomi Nagy. 2021. On the role of language dyads in heritage language complexity: An information-theoretic analysis. Poster presented at the 13th Heritage Language Research Institute.

Coon, Jeff, Alexander Etz, Gregory Scontras, and Barbara Sarnecka. 2021. Experts interpret generalizations differently than novices. Poster presented at the 47th Annual Meeting of the Society for Philosophy and Psychology (SPP).

Varatharaj, Ashvini, Gregory Scontras, and Naomi Nagy. 2021. Heritage language complexity in flux: An information-theoretic analysis. International Symposium on Bilingualism (ISB13).

Kachakeche, Zeinab, Richard Futrell, and Gregory Scontras. 2021. Word order affects the frequency of adjective use across languages. Poster presented at the 43rd Annual Meeting of the Cognitive Science Society.

Coon, Jeff, Alexander Etz, Gregory Scontras, and Barbara Sarnecka. 2021. Experts interpret generalizations differently than novices. Poster presented at the 43rd Annual Meeting of the Cognitive Science Society.

Attali, Noa, Gregory Scontras, and Lisa S. Pearl. 2021. Pragmatic factors can explain variation in interpretation preferences for quantifier-negation utterances: A computational approach. The 43rd Annual Meeting of the Cognitive Science Society.

- Coon, Jeff, Alexander Etz, Gregory Scontras, and Barbara Sarnecka. 2021. Esports as a cultural microcosm for studying psycholinguistics. UCI Esports Conference.
- Gu, Yuting, Yongjia Song, Judith Kroll, and Gregory Scontras. 2021. Lexical entrainment in Mandarin-English bilinguals. The 7th Annual Florida Psycholinguistics Meeting.
- Song, Yongjia, Judith Kroll, and Gregory Scontras. 2021. Lexical entrainment in bilinguals L1 and L2. The 62nd Annual Meeting of the Psychonomic Society.
- Kachakeche, Zeinab, Richard Futrell, and Gregory Scontras. 2022. Adjective use across languages. The 96th Annual Meeting of the Linguistic Society of America.
- Attali, Noa, Lisa S. Pearl, and Gregory Scontras. 2022. Corpus evidence for the role of world knowledge in ambiguity reduction: Using high positive expectations to inform quantifier scope. Experiments in Linguistic Meaning (ELM) 2.
- Kachakeche, Zeinab, Gregory Scontras, and Richard Futrell. 2022. The efficiency of dropping vowels in Romanised Arabic script. Poster presented at the 44th Annual Meeting of the Cognitive Science Society.
- Coon, Jeff, Alexander Etz, Gregory Scontras, and Barbara Sarnecka. 2022. Adjusting the use of generalizations based on audience expertise. Poster presented at the 44th Annual Meeting of the Cognitive Science Society.
- Attali, Noa, Lisa S. Pearl, and Gregory Scontras. 2022. Prosody reflects probability of a scope interpretation in naturalistic speech. Poster presented at Experimental Pragmatics (XPRAG).
- Muelas Gil, María, Jeremy Yeaton, and Gregory Scontras. 2023. Modeling the inclusiveness of gender-inclusive language in Spanish. Poster presented at the 97th Annual Meeting of the Linguistic Society of America.
- Song, Yongjia, Kathlyn Canales, Yuting Gu, Jiachen Jin, Jian Meng, Yiqun Zhang, Judith Kroll, and Gregory Scontras. 2023. Lexical entrainment in bilingual language use. Poster presented at the 14th Heritage Language Research Institute.
- Meng, Jian, Yongjia Song, Kathlyn Canales, Yuting Gu, Jiachen Jin, Judith Kroll, and Gregory Scontras. 2023. On the role of language proficiency in bilingual lexical entrainment. Poster presented at the 14th International Symposium on Bilingualism.
- Li, Yanting, Gregory Scontras, and Richard Futrell. 2023. Chinese words shorten in more predictive contexts. Poster presented at the 45th Annual Meeting of the Cognitive Science Society.
- Song, Yongjia, Kathlyn Canales, Yuting Gu, Jiachen Jin, Jian Meng, Yiqun Zhang, Judith Kroll, and Gregory Scontras. 2023. Lexical entrainment in bilinguals' language use. Poster presented at the 45th Annual Meeting of the Cognitive Science Society.
- Gotzner, Nicole, and Gregory Scontras. 2023. Leave yourself a (negative) loophole: How subjectivity predicts negative strengthening. The 10th biennial meeting of Experimental Pragmatics (XPRAG).
- Attali, Noa, Pearl Lisa, and Gregory Scontras. 2023. Disambiguating information in context and prosody. Poster presented at the 10th biennial meeting of Experimental Pragmatics (XPRAG).

Upadhye, Shiva, Noa Attali, and Gregory Scontras. 2023. The role of world knowledge for interpreting aspect ambiguity. Poster presented at the 10th biennial meeting of Experimental Pragmatics (XPRAG).

Li, Yanting, Gregory Scontras, and Richard Futrell. 2024. The meaning behind a code-switch. Poster presented at the 37th annual conference on Human Sentence Processing (HSP).

Attali, Noa, Pearl Lisa, and Gregory Scontras. 2024. Navigating ambiguity: The usefulness of context and prosody for naturalistic scope interpretations. Poster presented at Experiments in Linguistics Meaning (ELM) 3.

Coon, Jeff, and Gregory Scontras. 2024. Expertise, overhypotheses, and generic statements. 2024. Poster presented at the 50th annual meeting of the Society for Philosophy & Psychology (SPP).

Dyer, William, Charles Torres, Gregory Scontras, and Richard Futrell. 2024. Evaluating a century of progress on the cognitive science of adjective ordering. Poster presented at the Annual Conference of the North American Chapter of the Association for Computational Linguistics (NAACL).

Scontras, Gregory, and Judith Tonhauser. 2024. Projection without presupposition: A model of clause-embedding predicates. *Sinn und Bedeutung (SuB)* 29.

Gotzner, Nicole, and Gregory Scontras. 2024. Speakers use loopholes to avoid face-threatening meanings. *Experimental Pragmatics in Italy (XPRAG.it)* 5.

Li, Yanting, Jiaxuan Li, Shiva Upadhye, Noa Attali, and Gregory Scontras. 2025. Language models (LMs) prefer ambiguous utterances following informative contexts. Poster presented at the 38th Annual Conference on Human Sentence Processing (HSP).

Gotzner, Nicole, and Gregory Scontras. 2025. Vague, polite, self-concerned? Speakers use indirect speech to pursue their own goals while managing their social relationships. Poster presented at the 11th Experimental Pragmatics Conference (XPRAG).

Baidildinova, Moldir, Connor Mayer, and Gregory Scontras. 2025. Stress patterns in intra-word code-switching. Poster presented at the Annual Meeting on Phonology (AMP).

Upadhye, Shiva, Yanting Li, Jiaxuan Li, Noa Attali, and Gregory Scontras. 2025. GPT-2's comprehension and production of scope ambiguity. Poster presented at the Pragmatic Reasoning in Language Models (PragLM) workshop, COLM 2025.

Li, Jiaxuan, Shiva Upadhye, Yanting Li, Noa Attali, and Gregory Scontras. 2025. GPT-2 prefers ambiguous utterances following informative contexts. Poster presented at BlackboxNLP.

## INVITED TALKS

“Exploring plural comparison: What adjective semantics tells us about plurality.” October 12, 2012. Department of Linguistics, Boston University.

“Collective predication: The view from plural comparison.” Stanford Psychology of Linguistics Tea (SPLaT!). January 31, 2013. Stanford University.

- “Cross-linguistic scope ambiguity.” Workshop on Quantifier Scope: Syntactic, Semantic, and Experimental Approaches. June 12, 2014. CNRS–IKER.
- “A new kind of degree.” Stanford Construction of Meaning workshop. October 24, 2014. Stanford University.
- “Resolving uncertainty in plural predication.” Syntax and Semantics Circle. June 8, 2015. UC Santa Cruz.
- “Formalizing the role of context in ambiguity resolution.” Syntax and Semantics Circle. October 23, 2015. UC Berkeley.
- “Property noise and ambiguity resolution: The case of stubborn distributivity.” Stanford Sem-Prag Group. January 12, 2016. Stanford University.
- “Subjectivity predicts adjective ordering preferences.” February 10, 2016. Department of Linguistics, University of Chicago.
- “A new kind of degree.” February 10, 2016. Department of Linguistics, University of Chicago.
- “Formalizing the role of context in ambiguity resolution.” February 23, 2016. University of Tübingen.
- “Modeling ambiguity resolution as pragmatic inference.” 26th Annual Linguistics Symposium. April 12, 2017. CSU Fullerton.
- “Degrees and kinds: Rethinking the ontology.” Workshop on Number. June 13, 2017. Inter University Center in Dubrovnik.
- “The strategic use of noise in ambiguity resolution.” June 19, 2017. ZAS Berlin.
- “Ambiguity resolution in heritage grammars.” June 20, 2017. ZAS Berlin.
- “Property noise and ambiguity resolution: The case of stubborn distributivity.” September 15, 2017. Department of Linguistics, Harvard University.
- “Learning from heritage languages” (with Maria Polinsky). International Conference on Bilingualism: Language & Heritage. December 18, 2017. University of Cambridge – Chinese University of Hong Kong Joint Laboratory for Bilingualism.
- “The pragmatics of truth-value judgments.” UConn Logic Group. March 30, 2018. University of Connecticut.
- “On the semantics of number morphology.” June 29, 2018. The Ohio State University Emergence of Number Conference.
- “Scope ambiguity and heritage languages.” October 18, 2018. University of Tübingen.
- “The role of subjectivity in adjective ordering preferences.” October 30, 2018. Goethe University Frankfurt.
- “Modeling the pragmatics of ambiguity resolution.” Workshop on Ambiguity as (Information) Gaps: Processes of Creation and Resolution. November 16, 2018. University of Tübingen.
- “On the purpose of ambiguous language.” February 23, 2019. University of Tübingen.

“The added informativity of ambiguous language.” Stanford SemFest. March 15, 2019. Stanford University.

“The pragmatics of truth-value judgments.” SemanticsBabble. April 23, 2019. UC San Diego.

“Lesser-studied heritage languages” (with Michael Putnam). Heritage Language Research Institute. June 11, 2019. University of New Mexico.

“(Heritage) language complexity”. Heritage Language Research Institute. June 11, 2020. Penn State.

“The pragmatics of truth-value judgments.” March 22, 2021. Department of Linguistics, University of Florida.

Closing discussion. Heritage Language Research Institute. June 10, 2021. University of North Carolina at Chapel Hill and Duke University.

“On the semantics of number morphology.” October 21, 2021. Leibniz-Zentrum Allgemeine Sprachwissenschaft, Berlin.

“Subjectivity and adjective ordering preferences.” Workshop on Subjectivity in Semantic Interpretation, North American Summer School in Logic, Language, and Information. June, 2022. University of Southern California.

“A multi-generational analysis of heritage language complexity.” Heritage Language Syntax 3. October 20, 2022. University of Paris 8.

“The pragmatics of ambiguity resolution.” Annual Linguistics Symposium. May 19, 2023. CSU Fullerton.

“Notes on plural superlatives.”  $\text{logic} \wedge \text{grammar} \wedge \text{meaning}$ : The pipe (line) connecting 50 years of semantics. June 7, 2023. University of Milano-Bicocca.

“Formalizing the pragmatics of truth-value judgments.” The third Nancy-Irvine workshop on Formalization in Logic, Language, and Mathematics. September 15, 2023. Archives Henri-Poincaré.

“Politeness as a rational speech act.” Workshop on the role of loopholes in communication. September 29, 2023. University of Osnabrück.

“Modeling truth-value judgments as a rational speech act.” November 2, 2023. Department of Foreign Languages and Literatures, National Yang Ming Chiao Tung University, Taiwan.

“On the role of subjectivity in adjective ordering across languages.” Annual Linguistics Symposium. April 26, 2024. CSU Fullerton.

“Adjective ordering across languages.” Mayfest 2024: The science of linguistic diversity. May 4, 2024. University of Maryland.

“On the role of subjectivity in cross-linguistic adjective ordering preferences.” The Scandinavian Association for Language and Cognition, thematic session on explaining semantic universals. June 6, 2024. Norwegian University of Science and Technology.

“The social reasoning behind ambiguity resolution.” November 22, 2024. Department of Philosophy, University of Massachusetts, Amherst.

“Prior beliefs and projection: An RSA-based approach” (with Judith Tonhauser). Workshop on Background Beliefs in the Construction of Meaning. January 9–10, 2025. University of Tübingen.

“Understanding ambiguity.” April 11, 2025. Department of Linguistics, Stanford University.

“On the benefits of ambiguity (resolution).” Experiments on the Semantics/Pragmatics Interface (XPRAG FEST 2025). July 18, 2025. Leibniz-Zentrum Allgemeine Sprachwissenschaft, Berlin.

“On the role of subjectivity in adjective ordering across languages.” November 18, 2025. Institute of Linguistics, University of Stuttgart.

“Projection without lexically-specified presupposition.” Construction of Meaning Workshop. December 4, 2025. Department of Linguistics, Stanford University.

## TEACHING

**2010** *Ling 98a Junior Tutorial – Imperatives*. Harvard.

**2011** *Ling 97r Sophomore Tutorial – Experimental Methods in Linguistics*. Harvard.  
*Ling 98a Junior Tutorial – Plurality*. Harvard.

**2012** *Ling 97r Sophomore Tutorial – Experimental Methods in Linguistics*. Harvard.  
*Ling 97r Sophomore Tutorial – Number Marking*. Harvard.

**2013** *Public Speaking for International TFs* (with Virginia Maurer). Harvard.

**2016** *Composition in Probabilistic Language Understanding*. European Summer School in Logic, Language, and Information (ESSLLI), Free University of Bozen-Bolzano, Italy.

**2017** *Ling 143 Intro to Formal Semantics*. UC Irvine.

*Ling 109 Special Topics in Computational Linguistics*. UC Irvine.

*Ling 155/Psych 150 Psychology of Language*. UC Irvine.

*Ling 236 Probabilistic Understanding of Language*. Harvard.

**2018** *Ling 155/Psych 150 Psychology of Language*. UC Irvine.

*Ling 107M/Psych 157M Computational Methods for Language Research*. UC Irvine.

*Ling 159 Current Topics in the Biology and Evolution of Language*. UC Irvine.

*Probabilistic Language Understanding*. European Summer School in Logic, Language, and Information (ESSLLI), Sofia University, Bulgaria.

**2019** *LSci 155/Psych 150 Psychology of Language*. UC Irvine.

*LSci 107M/Psych 157M Computational Methods for Language Research*. UC Irvine.

*LSci 189 Presentation Skills for Language Science*. UC Irvine.

**2020** *LSci 155/Psych 150 Psychology of Language*. UC Irvine.

*LSci 107M/Psych 157M Computational Methods for Language Research*. UC Irvine.

**2021** *LSci 107M/Psych 157M Computational Methods for Language Research*. UC Irvine.

*LSci 202C Presentation Skills for Language Science.* UC Irvine.

*Probabilistic Language Understanding.* European Summer School in Logic, Language, and Information (ESSLLI), Utrecht University, Netherlands.

**2022** *LSci 155/Psych 150 Psychology of Language.* UC Irvine.

*LSci 107M/Psych 157M Computational Methods for Language Research.* UC Irvine.

*LSci 202C Presentation Skills for Language Science.* UC Irvine.

*Probabilistic Language Understanding.* UC Irvine Summer School on Computational Cognitive Modeling for Language, UC Irvine.

**2023** *LSci 155/Psych 150 Psychology of Language.* UC Irvine.

*LSci 107M/Psych 157M Computational Methods for Language Research.* UC Irvine.

*LSci 202C Presentation Skills for Language Science.* UC Irvine.

*Probabilistic Language Understanding.* Linguistic Society of America Summer Institute, UMass Amherst.

**2024** *LSci 155/Psych 150 Psychology of Language.* UC Irvine.

*LSci 143/249 Intro to Formal Semantics.* UC Irvine.

*LSci 202C Presentation Skills for Language Science.* UC Irvine.

**2025** *LSci 155/Psych 150 Psychology of Language.* UC Irvine.

*LSci 107M/Psych 157M Computational Methods for Language Research.* UC Irvine.

**2026** *LSci 202C Presentation Skills for Language Science.* UC Irvine.

## SERVICE

Reviewer for *Cambridge Elements*, *Cognition*, *Corpus Linguistics and Linguistic Theory*, *Dialectica*, *Glossa*, *Glossa Psycholinguistics*, *Heritage Language Journal*, *International Journal of Bilingualism*, *Journal of Linguistics*, *Journal of Memory and Language*, *Journal of Semantics*, *Language*, *Languages*, *Language Acquisition*, *Language and Cognition*, *Language and Linguistics Compass*, *Lecture Notes in Computer Science*, *Linguistic Inquiry*, *Linguistic Typology*, *Linguistics*, *Linguistics and Philosophy*, *Linguistics Vanguard*, *Mind*, *Natural Language & Linguistic Theory*, *Natural Language Semantics*, *Open Mind*, *PeerJ*, *Philosophers' Imprint*, *Philosophical Transactions B*, *Proceedings of the National Academy of Sciences*, *Second Language Research*, *Semantics and Pragmatics*, and *Topics in Cognitive Science*.

2022–present. Member, Center for Theoretical Behavioral Sciences Advisory Board, UC Irvine.

2022–present. Advisor, Language and Linguistics Club, UC Irvine.

2020–present. Associate Director, Center for the Advancement of Logic, its Philosophy, History and Applications (C-ALPHA), UC Irvine.

2019–present. Member, *Glossa* Editorial Board.

2019–present. Undergraduate Director, Department of Language Science, UC Irvine.

2026. Acting Chair, Department of Language Science, UC Irvine.
- 2024–2025. Chair, Language Science Assistant Professor Search Committee, UC Irvine.
- 2020–2024. Associate Editor, *Heritage Language Journal*.
2024. Co-organizer (with Nicole Gotzner), the Second Osnabrück–Irvine Workshop on the Role of Loopholes in Polite Communication, UC Irvine.
2024. Co-organizer (with Julio Torres), the 15th Heritage Language Research Institute, UC Irvine.
2022. Co-organizer, UC Irvine Summer School on Cognitive Modeling for Language, UC Irvine.
- 2020–2021. Chair, Language Science Assistant Professor Search Committee (x2), UC Irvine.
- 2016–2020. Member, Language Science Graduate Program Committee, UC Irvine.
2020. Acting Chair, Department of Language Science, UC Irvine.
- 2016–2019. Director, Language Science Colloquium, UC Irvine.
2019. Co-organizer (with Kai Wehmeier), The Second UC Irvine Workshop in Logical Semantics.
2018. Co-organizer, Conference on Quantitative Approaches to Language Science, UC Irvine.
2018. Acting Chair, Department of Language Science, UC Irvine.
2018. Acting Undergraduate Director, Department of Language Science, UC Irvine.
2018. Co-organizer, North American Computational Linguistics Olympiad, UC Irvine.
2017. Organizer, California Universities Semantics and Pragmatics (CUSP) 10, UC Irvine.
2017. Co-organizer (with Kai Wehmeier), The First UC Irvine Workshop in Logical Semantics.
2017. Co-organizer, North American Computational Linguistics Olympiad, UC Irvine.
- 2016–2017. Member, Linguistics Syntax Search Committee, UC Irvine.
- 2010–2014. Department of Linguistics Representative on the Mind, Brain, and Behavior Graduate Student Steering Committee, Harvard.
- 2012–2013. Departmental Teaching Fellow in Linguistics, the Derek Bok Center for Teaching and Learning, Harvard.
2011. Co-organizer (with Lauren Eby Clemens). 18th Meeting of the Austronesian Formal Linguistics Association.
